Sir:

The Applicant respectfully requests the withdrawal of the previously submitted Form PTO-1449 ("IDS") on May 19, 2004, in the above-identified patent application. A copy of the IDS is enclosed herewith for your reference.

The IDS was submitted as a result of the USPTO original filing error involving mis-identifying the Applicant's representative's internal Docket Number. The USPTO incorrectly recorded the Docket Number for the above-identified patent application as: WC-01-11-03.00, as is listed above. However, the correct Docket Number should be WC-01-11-02.00.

Accordingly, The previously submitted IDS (May 19, 2004) should be withdrawn from consideration in the above-identified case, as a result of USPTO Docket Number recordation error.

Coincidentally, the Applicant is also simultaneously submitting, under separate cover, a Request To Correct Docket Number.

In the event that the transmittal letter is separated from this document and the Patent and Trademark Office determines that an extension and/or other relief is required, Applicant petitions for any required relief including extensions of time.

Respectfully submitted,

Dated: October 15, 2004
